

2009

## National Conference

October 14-16  
Rio All-Suite Hotel  
Las Vegas, Nevada

## The American College of Forensic Examiners Institute (ACFEI)

[www.acfei.com](http://www.acfei.com)

The American College of Forensic Examiners is the world's largest professional scientific forensic membership society. Multi-disciplinary in its scope, the society actively promotes the dissemination of forensic information. ACFEI's purpose is to continually advance the profession of forensic examination and consultation across the many professional fields of its membership by elevating standards through education, basic and advanced training, and Diplomate status. ACFEI believes forensic examiners do not win or lose cases. Forensic examiners seek only the truth; conduct evaluations, examinations, and inquiries; and report the true results of their findings in an unbiased and objective manner.

## The American Board for Certification in Homeland Security (ABCCHS)

[www.chs.acfei.com](http://www.chs.acfei.com)

The ABCCHS program has earned its reputation as the professional membership association dedicated to the certification, training, and continuing education of professionals across the nation who are committed to improving homeland security. The ultimate goal of the ABCCHS program is to facilitate collaborative partnerships and strong working relationships between homeland security professionals from the public and private sector and incident management first-responder organizations, recognizing that each has unique talents and abilities to contribute to the security of our nation. At the core of the ABCCHS membership are some of the world's leading decision-makers, who have significant experience and knowledge in homeland security.

## The American Psychotherapy Association (APA)

[www.americanpsychotherapy.com](http://www.americanpsychotherapy.com)

The American Psychotherapy Association is a membership society for psychotherapists of various disciplines including counseling, social work, marriage and family therapy, psychology, nurse psychotherapy, pastoral counseling, psychiatry, psychoanalysis, and other related fields. APA's purpose is to establish a cohesive national organization that advances the mental health profession by elevating standards through education and basic/advanced training, and that credentials ethical, highly educated, and well-trained psychotherapists.

## The American Association of Integrative Medicine (AAIM)

[www.aaimedicine.com](http://www.aaimedicine.com)

The American Association of Integrative Medicine recognizes that health is more than the absence of disease and that a multi-disciplinary approach to medicine provides the maximum therapeutic benefit. AAIM's advocacy for broader treatment options facilitates a bond between integrative and Western medicine. The end result is a gathering place for healers, educators, and researchers from all specialties to compare notes and combine forces, benefiting both the patient and the health-care provider.
